What's Included with Each Hunt:

- Guided hunting with experienced professionals.
- Access to our exclusive timberland in Macon County, Illinois.
- Flexibility with 3, 4, or 5-day hunts to fit your schedule.
- Access to an on-site Archery Range (Recommended to practice before hunting after traveling).
- Scouting reports with hunters, reviewing trail camera pics, and sharing insights on deer movement and food plots.
- Transportation to and from stands for each hunt (Personal ATVs not allowed).
- Review Illinois hunting regulations, hunting licenses, and habitat stamps if needed.
- Field care of harvest, including field dressing and removal of your animal from the woods.
- Skinning, processing, and packaging of your harvested game.
- On-site taxidermy services are available for an additional charge.

Hunting Checklist - What to Bring:

- Valid identification and proof of current hunting license(s) and habitat stamp. If bird hunting, you'll also need a HIP number.
- If hunting, hunters born after January 1st, 1980, must have a sportsman card or Hunter Safety Card to hunt in the state of Illinois. *All states offer a hunter safety course.
- Personal Hunting gear: Gun, Bow, or Crossbow (along with appropriate ammunition or arrows).
- Rangefinder to help with accurate distance measurements.
- Scent Killer to minimize human scent detection by game animals.
- ThermaCell or bug spray to protect against insects and mosquitoes.
- Backpack to carry your essential items and gear during the hunt.
- Safety Harness (**This item is required for all Deer Hunters**) for added safety while hunting from elevated stands.
- Cell phone for communication with guides through text or call if needed.
- Sturdy and comfortable hunting Boots suitable for various terrains.
- Rain Gear to stay dry and comfortable during inclement weather.
- Camo Gear to blend seamlessly into the natural surroundings.
- Hats and Gloves for added comfort during different weather conditions.
- Hot Hands, heated socks/Jackets if needed.
- *Sangamon River Outfitters does not currently offer on-site accommodations, you are responsible for booking your hotel reservations.*
